EIRLINGUA FOCUSES ON LEARNING + ENJOYMENT

Our friendly teachers and staff aim to establish an environment that improves students' knowledge of English as well as Ireland and Irish culture.

EIRLINGUA directly organises their own staff, activities, excursions and classes. All school-related time is **fully-supervised**: classes and breaks, as well as activities and excursions.

EIRLINGUA HOST FAMILIES are friendly, reliable and open to our students. All host families are managed directly by Ms Brady.

In addition to our listed course structure, **EIRLINGUA** offers a safe environment in a **small town atmosphere** – giving students daily contact with local people – and the knowledge that they are safe.
